

We are grateful to have our Masses available to you through Facebook during this time when we cannot be together physically. Below are tips to navigate this technology. If you have a Facebook account, please make sure to “Like” and “Follow” St. John Vianney’s Facebook page, and verify you are receiving notifications for our page. (Go to the \* at the end for those instructions.) If you do not have a Facebook account, you can view recent Facebook posts on our website. Go to the home page of our website [sjvroundrock.org](http://sjvroundrock.org) and find the Facebook feed linked there. You can scroll through a few of the most recent posts.

To view a Live Video in progress, go to the St. John Vianney Facebook Page. Start by going to the home page of Facebook. Then type “St. John Vianney Catholic Church” in the search bar of Facebook and click on our page. Look for our address, 3201 Sunrise, to ensure you are selecting the correct page. Scroll down our page to the section for posts and the live video will be the first thing in the feed. (Please note if you join the livestream in progress, you cannot go back to the beginning. Once the livestream has ended, you will be able to view it in its entirety.)

Videos are also accessible after the livestream ends. If you are unable to view the video as it airs live, you can go to our page to see the videos at your convenience.

-From a mobile device, go to our page and scroll down to the “Videos” section. Then scroll left or right to find the video you wish to view. Then tap the video you would like to view.

-From a computer, go to our Facebook page and click “Videos” in the left-hand margin. Then click on the video you wish to view.

\*Instructions to “Like” and “Follow” our Facebook page, and receive notifications:
